Amity

In the spring of 1976, there was a new addition to the Plattsburgh Campus. It was Amity, designed by New York City artist William King under a SUNY grant. The construction was done by a local firm with the metal donated by a steel company and fabricated by an establishment in Vermont.

A recurring question seems to be, "What is it?" Amity, representing the friendship between the United States and Canada, has had many pointed criticisms from faculty, students and visitors. It has been referred to as everything from an object of art to a pile of rusty scrap metal. Whether you can appreciate it or not Amity is here to stay.

Rejected Due To Budget Cuts

Rejected Due To Budget Cuts

Rejected Due To Budget Cuts

**Where Have All
The People Gone?**

Where have all the people gone? In April of 1976, Governor Carey cut the Plattsburgh State operational budget, leaving it short \$660,000, but, more importantly, depriving our students of their valuable education. Freshmen intake was forced to drop 31%, as was transfer admissions by 20%. In September of 1975, we accepted 1773 new students. In 1976 it had declined to 1550.

Fifty-five positions had to be eliminated by Dr. Burke. Six teaching faculty, and 15 from the academic support staff had to be cut. People being laid off, given pink slips. Their lives are indispensable to our students and their service inestimable.

As of February 1, 1977, it was announced that another 29 positions will be eliminated from our faculty due to state budget cuts. Is there no relief ahead??

The Budget Cuts . . .

The Budget Cuts And What The Students Did.

A peaceful rally designed to protest the budget cuts was staged and attended by thousands of students from the SUNY school system. The protest rally which began at Lincoln Park in the Capitol area proceeded peacefully until some students, sparked by remarks of some legislators as they entered the Capitol Building, broke their way through the line and stormed the building. The crowd quickly dispersed as the violence spread. Some sources indicate that approximately 300 students entered the building smashing doors and windows as they entered. Those students that entered chanted, "We want Carey", but Carey, under the protection of troopers, left the building through the offices of the At-

torney General. Later, police rushed to the scene.

There have been estimates placing the crowd of protesters as high as 30,000 with 280 buses lining the streets of the Capitol building.

The effect the rally may have had on the legislature is ambiguous. Seymour Posner (D-Bronx) joined the students outside the Capitol Building to protest the proposed cuts. As quoted from the Daily News, State Senator Edwyn Mason (R-Hobart) said, "They make me feel better about cutting the budget. After this, I think most of us feel we didn't cut enough."

The Pyramid Mall

1975 saw the completion of the Pyramid Mall in Plattsburgh. This new addition to uptown is a big contrast to the quaint streets and old buildings in downtown. Some of the old establishments such as the Daffodil, have relocated to a newer store front in the mall, vacating downtown and leaving it virtually barren. This semester, the Plattsburgh Chamber of Commerce has proposed to study the situation. Possibilities include enclosing the downtown area in a mall. The bars have also felt the pressure due to the affect the mall is having on the downtown shopping area. Possibilities in this area included the earlier closing and later opening hours.

Despite all this however, there is one tradition in downtown Plattsburgh that has not changed ...

The Monopole

Beginning the long truck back to the dorms on a cold, northcountry night, a favorite stop along the way is Monopoles for a hot piece of pizza. The Monopole, according to the overwhelming majority of students at Plattsburgh State, serves the best pizza in the state. Accordingly, it won this award in 1974.

The bar can be extremely small at times, especially when it is fully patronized, but you can always slip away upstairs to a cozy, relaxed atmosphere . . . P.B. Finnians.

The Big Brother's Beer Blast!

Be at Big Brother on any Wednesday night and you'll have a blast. The atmosphere is conducive to partying! \$1.50 for all the beer you can drink from 8-12 PM. You'll see all of your pals there, at least the ones who love to drink and have a good time. The bartenders serve you with pleasure (if you can make it through the crowd to the bar), especially Pabst 16 ounces. Many a heart has been broken at Brothers, along with tables, chairs and noses. Dana, Bootsy, Joe, Kenny, Mush and Nick, bottoms up!

Spring Weekend 1976

With the theme of Sadie Hawkins, the 1976 Spring Weekend was a big success. The weather was perfect for all the events from a blue-grass concert to a semi-formal dance. The Friday night beer blast was the last to be held in the Saranac Dining Hall. And keeping in the tradition of Sadie Hawkins, many of the male students were treated to an elegant night at the semi-formal. In all, the committee did a fine job!

Homecoming— A time when dreams are stored away

The Award Ceremony took place during half time of the football game. Tower I took first place float and best overall. In the Greek division, the AD's won first place; the Clio's and the Beta's placed second; and the Thalian's and the Psi Ep's won the third place spot. The scholastic Cup was won by the AD Sorority and Psi Ep's fraternity. This year the Brothers of Psi Epsilon Chi also won the coveted President's Cup award for the third year in a row.

Homecoming weekend is one of the oldest traditions on campus. Every year, the students select their Homecoming Queen—this year Mary Jo Giorlano. Most organizations stay up all Friday night, completing their floats for overall competition—this year won by Whiteface Hall. The annual Homecoming football game this year was against St. Lawrence. Spirits were high...

The World of Star Track

The theme of Star Trek lent a spacy atmosphere to this year's 1977 Winter Weekend. This is the first winter weekend that PSUC has had snow in quite some time. The festivities included a talent show, a window painting contest which was won by Psi Epsilon Chi, snow sculpture building competition won by Harrington Hall, a beer blast and a semi formal. Despite the recent controversy over the allocation of S. A. funds to various campus affairs, the turnout at the special events of this winter weekend suggests that this money is being well spent.

A Dance For Those Who Can't

Plattsburgh State held its first dance marathon for Muscular Dystrophy in the Spring of 1976. With Kelly Chabot as Chairman, the 8 different committees worked to get the entire campus and community involved. Events ranged in nature from a Children's Festival to Pie throwing to blue grass music and beer. Personalities involved Mayor Roland St. Pierre, President Burke of the college and our poster child for the Northern Adirondack Chapter of the Muscular Dystrophy Association. During those 48 hours, the 8 long, hard

weeks of preparation came to an end with a \$6,000 success and a very special feeling within the hundreds of people who worked. Although all the MDA dance marathons are different with respect to length, events and amount of money raised, they all share the same emotions. As one student at Colorado State expressed it, "A dance marathon for muscular dystrophy is more than just raising money for a very special cause. It's hard work, determination, and a growing love for those who dance and those who can't".

Halloween

Goblins, witches and ghosts. Children trick or treating. The night, illuminated by a full moon. At Plattsburgh we had the Marx Brothers, a variety of Playgirl bunnies, and Martians from Building 3. As usual, there was plenty of "treats" around, with a good time for all. "O Christmas tree, who are you?"

Arts and Crafts Fair

Several times a year, the College Center is host to Arts and Crafts Fairs. These are sponsored by both the College Center and the Student Association. The biggest one usually occurs as one of the main events of Spring Weekend with virtually hundreds participating. Vendors for this affair come from as far away as Montreal and Vermont. While the Spring Weekend Fair is usually

scheduled for outdoors, weather permitting, several smaller ones have been held in the vacant bookstore. The most popular crafts sold at both types of fairs are the silver and feather jewelry crafts, pottery, and macrame. Some of the unique items are etchings in stone and the balloon sculptures. All in all, these fairs are well attended.

International Debate Series

For the past two years, PSUC has been the host school for top debaters from Japan, England and Scotland participating in the International Debate Series Program. These students come to the U.S. and put on exhibition debates on a number of topics against debaters from the host schools. This year, the team from the University of Edinborough debated one of the PSUC varsity teams on the topic of discontinuing the Olympic Games. The debate was parliamentary style, which allowed for both an exchange of debate issues and cultural expression. What follows is a brief summary of the debate.

In the first picture, Dean Clarkson introduces the debaters, the resolution and some Scottish jokes.

During Alan Drummond's first speech, he talks about the exorbitant amount of money being spent on the games and his partner's sex life.

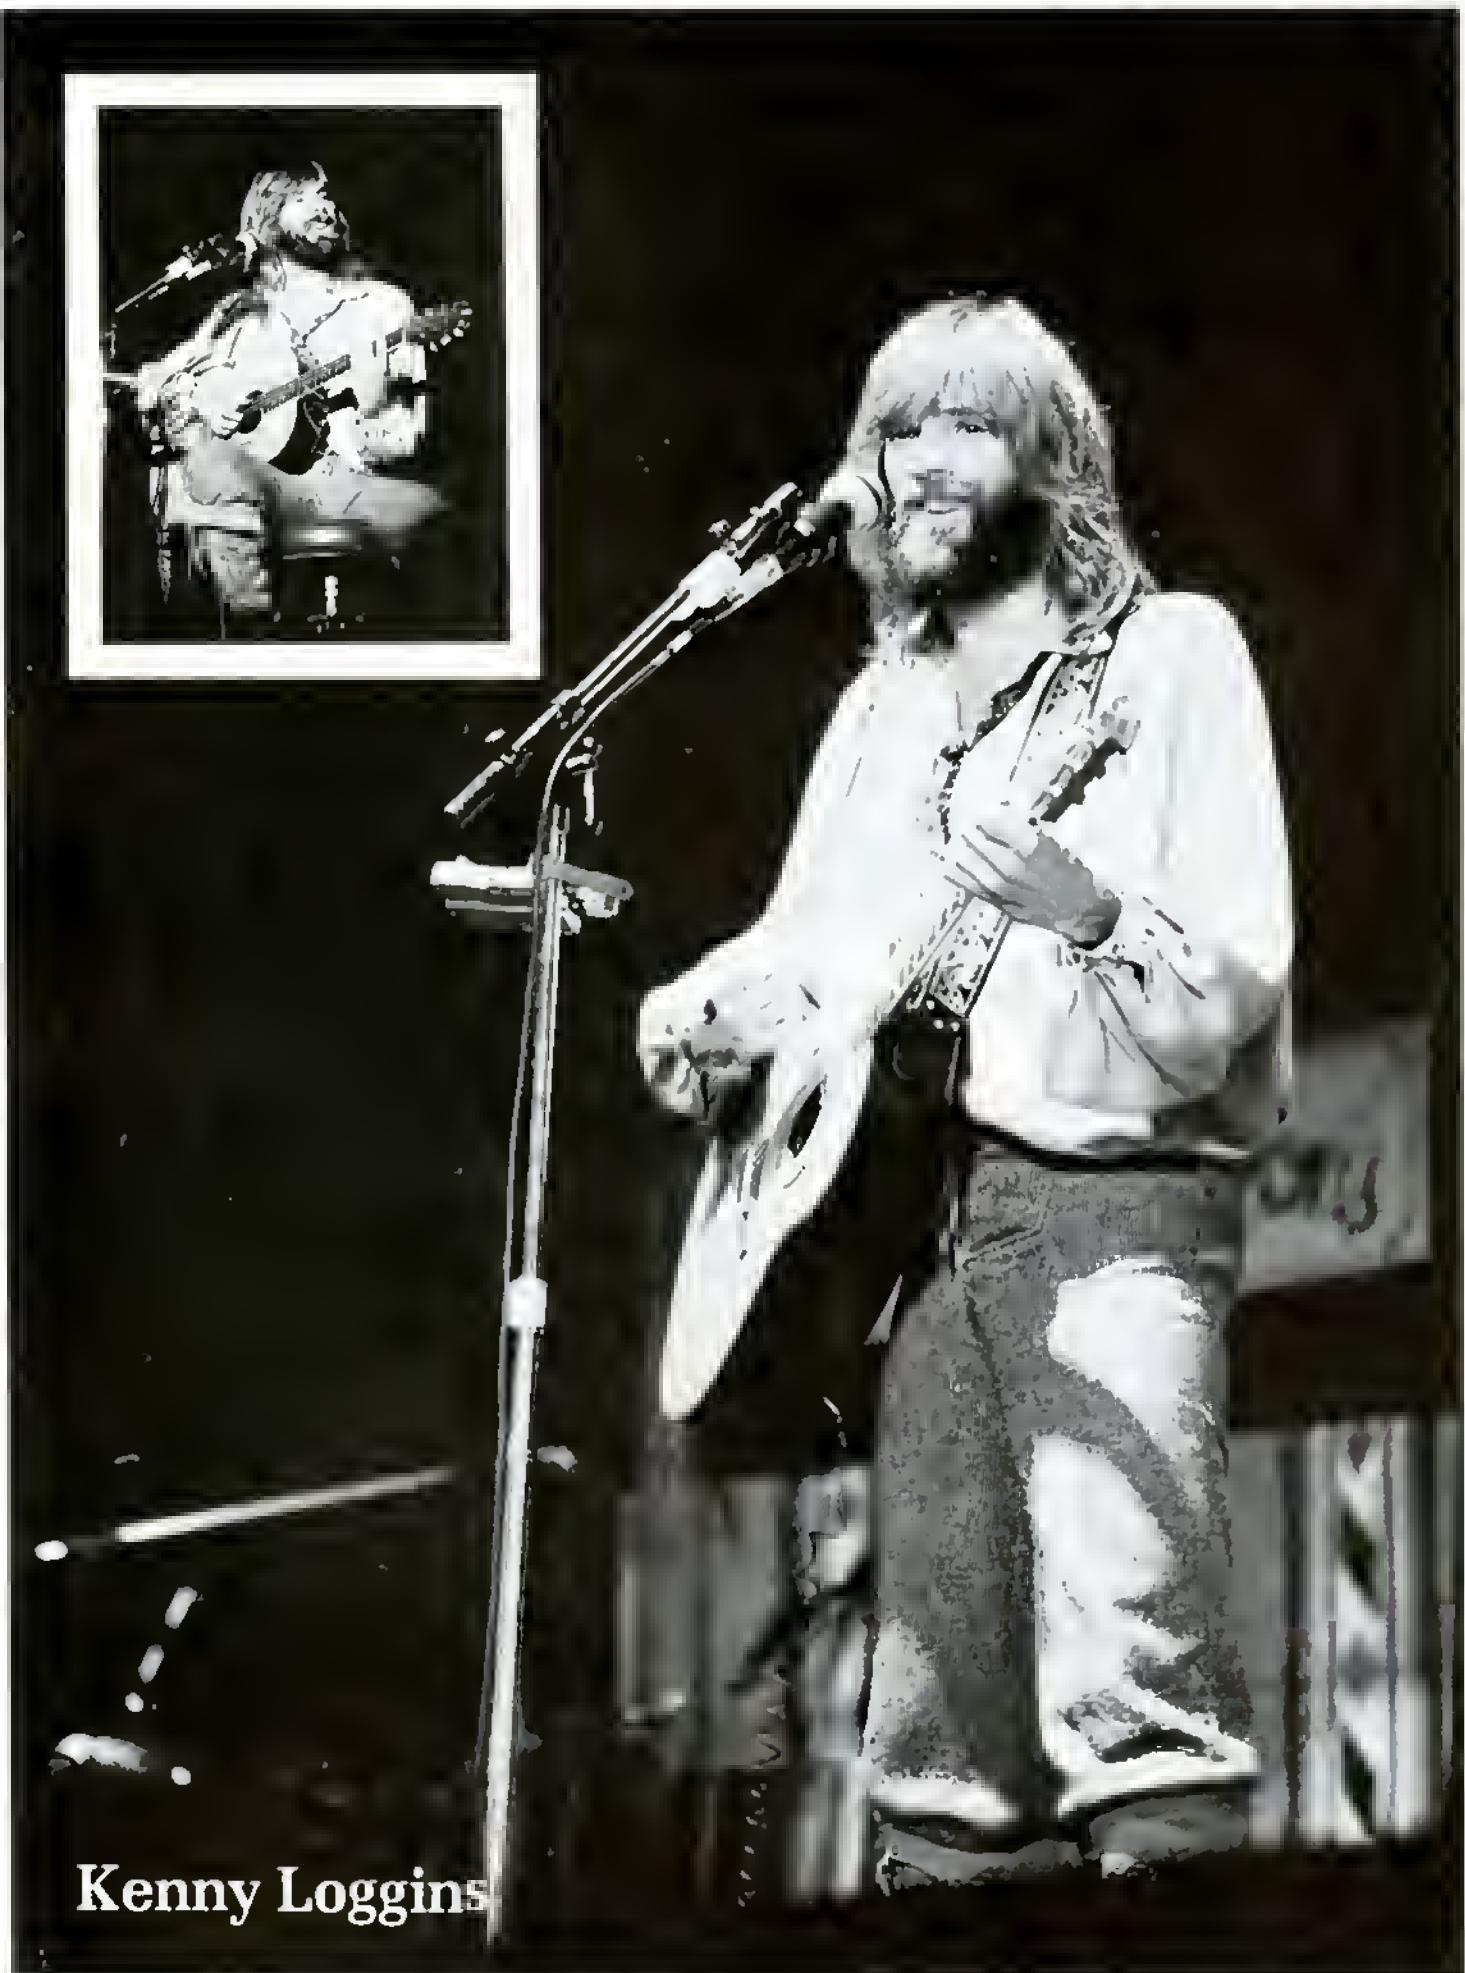

Herc Alan and his partner, Jeremy Hayes, are not speaking to each other (partially due to Alan's last speech) while the PSUC team discuss their counterplan.

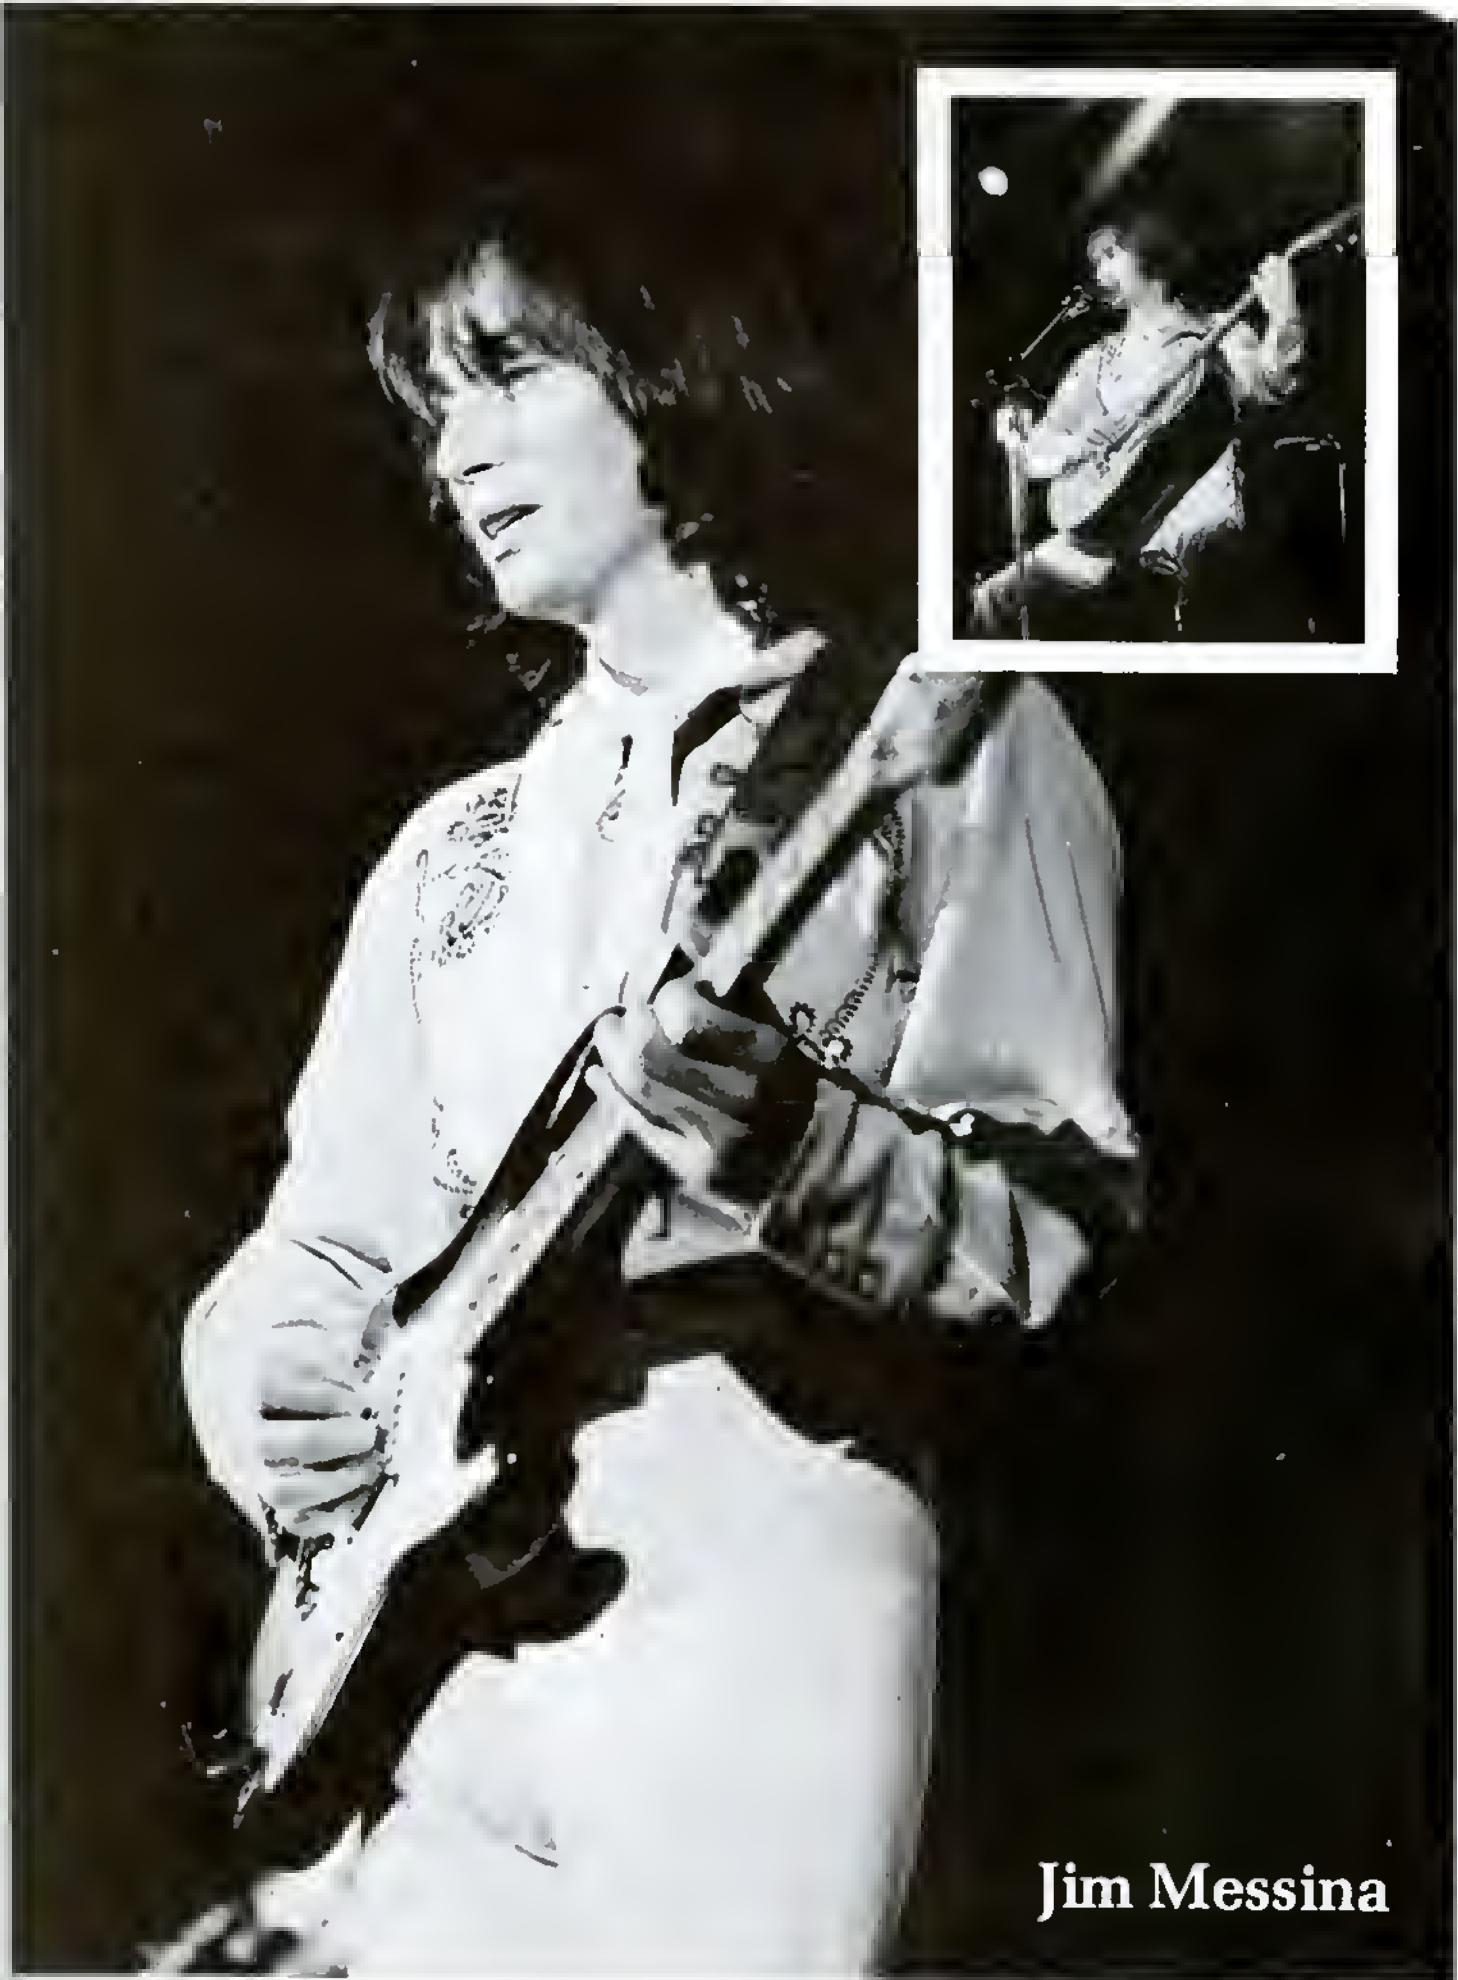

Here we see the first Plattsburgh speaker, Tim Hentschel, giving the affirmative team's first constructive speech on the value of the Olympic Games and asking Alan the question, "What do you wear under your kilt?"

Jeremy gives his final speech concentrating on the cost, commercialism and politics of the Olympic Games and pleads the fifth amendment on his sex life. The debate ended with the audience awarding the decision to the team from Scotland.

NTA Productions

The New Theater Association is the S.A. sponsored student organization responsible for bringing theater to PSUC. Every semester, after the numerous auditions and hours of rehearsals, the NTA stages very professional productions performed by the students. Among this years productions were "Desire Under the Elms" by Eugene O'Neill and "Clouds" by Aristophanes.

The Speakers Forum

Although considerably less in number this year than in previous ones, due to the budget cuts, PSUC did have several speakers come and give lectures and demonstrations to the student body. Among those that came are Phil Jordon, George Gallop, Jimmy Carter's son, Jeff, and the two pictured, Senator William Buckley (above) and film critic Judith Crist (below).

Living Together:

Combining forces with friends and foes,
striving to improve through laws,
uniting by talking and writing,
capturing forever in photographs
and good music.

The 1977 Cardinal Yearbook Staff

With Carol Phinney and Lois Gasparro as co-editors, the 1977 Cardinal Yearbook got underway in April of 1976. The first task was to establish an editorial staff. This year's board consisted of (L to R) Maryann Flemming, Eileen Krainak, Kathy Cahalan and Mary Jo Giordano. In December of 1976, the Cardinal Yearbook moved into its own office on the third floor of the College Center. Although the office is small, without heat and windows and resembles more of a closet than an office, many people squeezed into it to sort through pictures, answer phones

and do layouts. Among these people who worked at corrections and copy and other odd jobs are Tara DiLeva, cover and art, Judy Damasso, copy, Lynn Bedwell, layouts, Lou Castellano, Gary Cassia, Dan Ward, Mary Schiech, Leslie Tobin, Pam Mihal and Pat Clark.

Being a picture book, one of the yearbook's most important staffs is the photography staff. This year there was an exceptionally large number of photographers. These pictured are Bill Gora, Dave Rotholz, Helen Hebeler, Sue Brown, Loretta Sidorwica and Jim Coches. Camera shy photographers include Dave Ladenheim, Michael Mancino, Corey Mapes, Steve Kerr, Larry Ross, Sue Walajaytz, Karen Kroenenberger, Lori Squillante, Dick Thomas, David Terry, Sue Riley, Bill Wechter, Sandy Montanaro, Al Montanaro, Steve Cowper, Jack Cahill, Robin

Brown, Dan Ward, Jack Levine,
Press Republican, Delma Studies
and Henry Posner. [Editors Note:
Photographers' picture not taken
by the photo staff.]

Senior Section: Patty Jowilt, Nancy Anzovino. **Organizations:**
Maryann Flemming, editor, Maureen Walker, Lori
Squillante, Barbara Tucker, Carol Christenson, Kathy
Kansky.

Sports: Kathy Cahalan, editor, Sue Rigger, Chuck Star, Carol
Torbeck, Norma Jean Sorle.

Secretaries: Eileen Krainak, editor, Sarah Webber, Sally Maher,
Patty Zimmons, Cindy Shorl, Maria Roberti, Maureen Hogan.

Cardinal Points has, for a long time, been going through major changes for better and for worse. Some students like it; some students hate it; but everybody reads it.

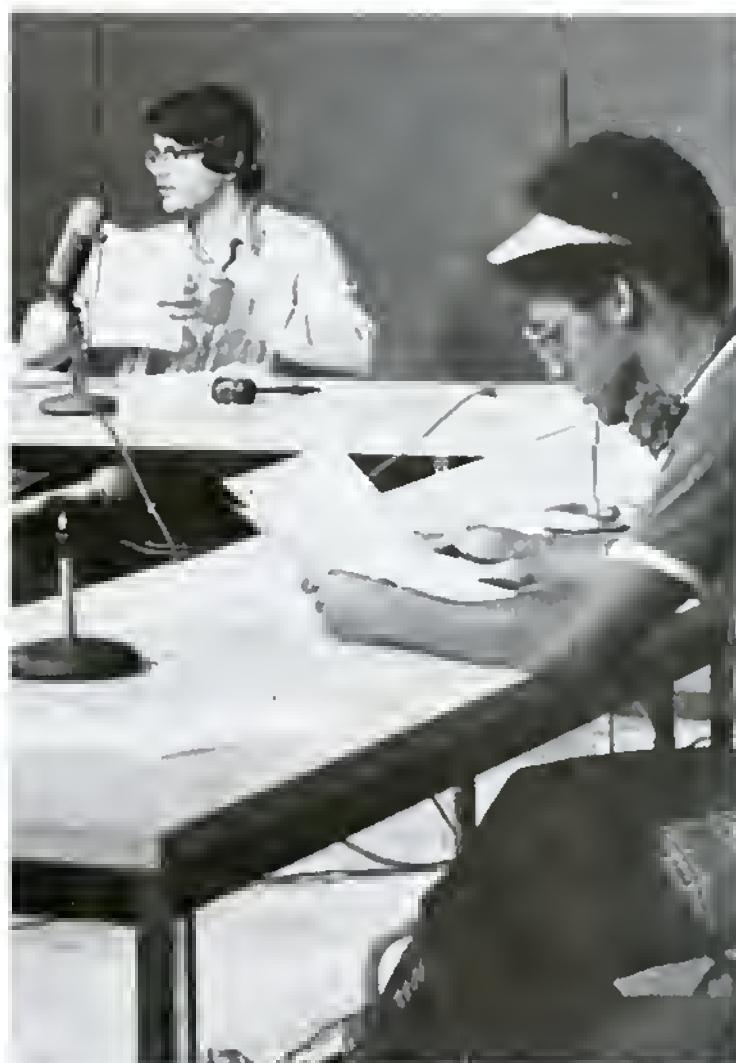

Over the past school year, the paper went through what many people feel to be some very positive changes. One section which was recently added to the paper was the feature-centerfold. Throughout last semester it contained some humor, some serious feature material and some interesting mixtures of things that, well — gave the student a guide to follow when handling complicated situations at PSUC. (If you missed the bursarettes feature you may very well be lost next semester).

Overall, the current staff of the paper feels they have done a pretty good job. Tom Robotham said, "The paper may be sloppy at times — sometimes to the point where it's even funny. There was the time that a front page article reported, in all seriousness, that 'students eat too much.' But we try hard — and as long as Sex Councils and Bursarettes stay around, so will we."

After seven years, the PSUC radio station may finally go open air. After two previous rejections, the chances for this year's acceptance are very good. This will mean that the station will be reaching more people and the on-campus students will also be able to hear WPLT-FM in addition to the AM they now receive.

Having fun together:

Performing crazy rituals,

singing songs,

dressing the same.

Photographs and memories
A special bid you gave to me
All that I have are these
To remember you.
Autumn leaves and winter snow
Nights we couldn't say hello
All the things we now know
And not a pledge survived.

We're brothers now and sisters, too
We lived through what you put us through
Somehow it just can't be true.
But we sure had a good time
when we pledged O'way back then
Dreadful courts and nighttime raids
Oh how I loved you then.

A Look.
It's A
Feeling!**

The DK's have done a lot of community work at Our Lady of Victory Academy. During Homecoming weekend we sold corsages of mums and donated the proceeds to the Cancer Society. We celebrated our fiftieth anniversary this year which makes us the oldest fraternity on campus.

The Clonian Sorority consists of girls who are unique to each other, but united together by a bond of warmth.

Clio was founded as a sisterhood 107 years ago. We are a very close group of individuals, but we are a very active group in the community. Clios have been active in the March of Dimes, Heart Fund, and volunteer work at the hospital. This semester we are heading the Daffodil Day Drive for the Cancer Society. Among these activities, we are active on Campus in Weekends and our own special functions. Last fall we won second prize in the Homecoming parade.

We, the brothers of Psi Epsilon Chi, pride ourselves in our service to both the college and the community. We take great satisfaction in our ability to help ourselves fulfill the State University's motto, "Let each become all he is capable of being." We feel that each individual has a responsibility to himself and mankind. We like to think that we are doing our part.

Psi Epsilon Chi presently holds the American Cancer Society Award for the single organization in northern New York State which has raised the most money to benefit cancer research. We also hold the college's President Cup, which is awarded annually to the organization that best exemplifies the aims and ideals of the college and community. In addition to this, we have been awarded the college's Scholastic Cup, a distinction we have realized for the past five semesters.

Alpha Kappa Phi holds individualism as one of the most important aspects of sorority. As distinct personalities we feel that by combining the various talents and interests of many we can emerge as an effective constructive force. In this way we can best contribute to each other, the college, and the community.

With every new sister welcomed into AGO, a totally new experience happens for the group. She brings her own ideas and goals to the sorority improving AGO with fresh outlooks and abilities. There are many friendships, happiness, and even some disappointments involved in a sorority; each aspect can be a learning experience for all that are involved.

AGO has many exciting events this year, one being the crowning of a sister as the 1976 Fall Homecoming

Queen, while others participated on the various committees for Homecoming weekend. We are presently involved for the second year with the Association of Children with Learning Disabilities. Some sisters help by tutoring children at Monty Street School, others have put together learning buckets for the "Bucket Brigade." Again this year we will man a booth for the annual "Health and Well Fair." We also visit nursing homes throughout the semester. This year we participated in Christmas Caroling along with the Psi Ep's and Clios at the G.V.P.H. Medical Center. We also do babysitting for U.S.O. every Sunday. These activities and many more have brought us closer to the community as well as campus. Our house is located at 66 Broad Street, across from Macdounough Hall.

The organizations, commonly referred to as the Greeks, lend another dimension to the PSUC campus. Besides partaking in S.A. sponsored activities, the community benefits from their existence. Blood drives, babysitting, nursing home visits, collections for the heart fund, and bikathons are some of the Greek sponsored events. Perhaps one of the reasons for their success has to do with their loyalty. As one of their cries go: Brothers, sisters, shout out in unity!

Brothers, sisters interfraternity.

“Betas”

This year the brothers of Theta Kappa Beta sponsored a PBA Basketball tournament. We also opened a concession at the tournament and donated the proceeds to the Big Brother organization as well as the youth organization scholarships. We also held raffles for the benefit of various charities.

We're known on campus for having our Roaring 20's beer blast which is open to all campus.

Alpha Delta Theta is both a service and a social organization, comprised of girls of all types. A means of getting involved in both school activities and community projects. Alpha Delta Theta provides both fulfillment and an outlet for creativity that is often lacking in the college environment.

This year the AD'S, as in the past years, sold carnations for the Heart Fund. We're also entrants in the "Cong Show" for the benefit of Multiple Sclerosis.

Diverse social experiences bring its members into contact with a variety of individuals and groups, helping to develop social maturity. Lasting friendships, insight, good times, flexibility — just a little of the spirit of Alpha Delta Theta.

"Pi Alpha Nu"

The brothers of Pi Alpha Nu have been very active in community affairs. We sold apples to raise money for Multiple Sclerosis, in addition to collecting over two thousand dollars for the Leukemia Foundation in one day. This year we won second place in the snow sculptures for Winter Weekend entitled, "Dilithium Crystals."

Right now we are affiliated with T.K.E. and are seeking to become a national fraternity. In October, we will celebrate our Twentieth anniversary.

"Just what makes a Thalian Girl . . ." Being a Thalian means many things. Besides the community work, the campus activities and the parties, it is a feeling deep within every sister of unity, cooperation and understanding based on mutual love and respect for one another and our sorority. Yet these abstract terms tell only half the story. Thalian is any girl — you, and me, individuals working through their own self expression, realizing their fullest potentials with the help of all, yet sacrificing personal desires for a group of girls whose concerns and understanding has given so much to each of us.

Theta Alpha Lambda is a way of expression and life, a something real and tangible for all who chose to heed its call.

“Sig Tau’s”

During the year the brothers of Sigma Tau Sigma have sponsored three Blow-out parties. Our first blow-out party was co-sponsored with the sisters of Alpha Delta Theta. The sisters of Theta Alpha Lambda helped us co-sponsor our second party. The third blow-out party was sponsored by our brothers. A grand total of twenty kegs were finished off and all campus now knows what good parties the Sig Tau's give. We are currently selling "Sig Dogs" down at Filions and invite anyone to come and sample them.

This year we sold over a thousand donuts for the Heart Fund.

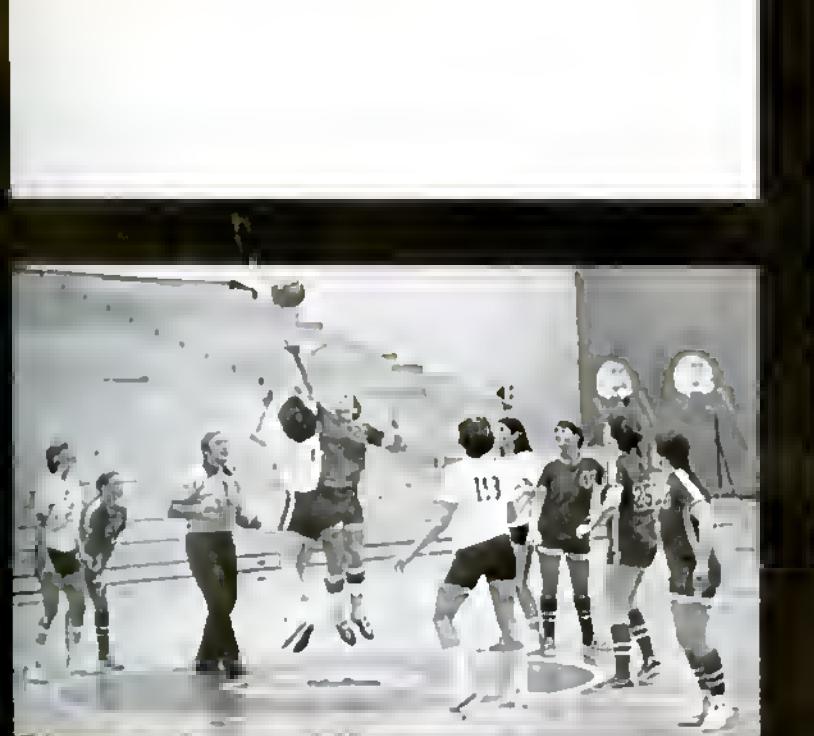

Our house is located at 147 Brinkerhoff Street. Feel free to drop by and say "Hello."

Pledging is . . .

. . . only for
those of us
who live with
the feeling that
what is wanted,
will happen.

Although suffering from the loss of several starters, the soccer team began the season with strong performances and hopes for another winning season.

Consistently strong performances from graduating seniors and co-captains John Walter and Jeff Lape, in addition to good all around team effort brought home impressive victories. Also strong throughout the year were sophomore Tommy Harrigan, freshman Bob Haller and senior Craig Sanhorn.

The final record was 4-7-1, with the cardinals finishing a joint-fourth in the Eastern division of the S.U.N.Y. Conference.

Cross Country

The 1976 Cardinal Cross Country Season began in an unsettled atmosphere. A new coach and many new runners presented a challenge to all those involved.

The runners had the misfortune to open the season at home against the talented Keene State crew that was much further along in training. What would have been a tough race by season's run turned into a Keene State rout as the freshman received a rough initiation. The Card's rebounded strongly the next week, defeating Boston College and the University of Vermont at UVM. Two weeks later the Cards put 13 runners in front of UVM's first man, recording a shutout.

Unable to repeat as conference champions, they finished third in the SUNYAC meet in Oswego, and a dismal sixth at the Albany Invitational.

The cardinal victory over Syracuse was the season's high point. The season ended on a low note, however, as the team could only muster a 17th Place finish at the IC4A's championships held at New York.

Indoor Track

Indoor track has become something of a winning tradition at Plattsburgh State in recent years. Smokey arenas, cramped fieldhouses, and flying elbows seem to bring out the best in the combative Cardinal runners.

The 1976-77 season was no exception to the rule. The Cards opened at the University of Vermont, coping the UVM Christmas Invitational and defeating some fifteen other clubs and teams from New England and Canada. Coming back early from semester break, the Cards suffered their first dual meet loss in three years, losing to Syracuse. Rebounding in the next two weeks the Cards defeated Union College and UVM the next Saturday. The mile relay team of Tony Haslam, Jamie Love, Ted Heidrich, and Cary Gillis made its annual pilgrimage to New York, winning their section of the 4x400 meter relay at the Olympic Invitational in Madison Square Garden. Kevin Parker finished 4th in the high jump with a record leap of 6 feet 10 inches.

As we went to press, nine Cardinals had qualified for the IC4A Championships at Princeton University.

Hockey

Plattsburgh's Cardinal icemen entered their first season of competition in Division II of the ECAC under a new head coach, Lou Frigon. Frigon, who joined the College in August, had directed the team to an 8-14 record, with one game remaining, when we went to press ... Team scoring leaders were Danny Meade and Matt Wescott, both veterans of the Card's earlier competition in Division III. While they had fared poorly against some of the stronger teams in Division II, such as Union, Elmira, Middlebury and Hamilton, the Cardinals were 5-2 against SUNY competition with one game remaining, that against Cortland State. Given a summer to recruit some promising freshmen and transfers, Frigon may return with a stronger team in the '77-'78 season, and we may see the Plattsburgh State avenge some of this season's frustrations.

Men's Basketball

This year it just didn't seem to be in the Cards. Plattsburgh varsity basketball Cardinals threatened to repeat as SUNY Conference Champions, but Albany State virtually locked us out of first with their one-point victory February 16 before a standing-room-only crowd in Memorial Hall.

With a return to the Conference championship out of their success, after a relatively slow start, Norm Law's charges had won in eight of their last nine outings when we went to press and were 12-8 overall. The Cards lost only twice at home all season—once by one point to Albany and once to powerful Division II foe, Hartwick. Senior Ronnie Wright concluded a two-year career with the Cardinals during which he set the school record for assists and scoring in a single season, and Larry Parker, a junior, will have surpassed the school's career marks for both rebounding and scoring by the end of the season.

Women's Basketball

Well, there's an old saying that winning isn't everything . . . but this is ridiculous! Plattsburgh women had their ups and downs . . . two ups and ten downs. A disappointing season to say the least.

Varsity Golf Team

The Varsity Golf Team finished the Spring '76 season with a dual meet record of 7 wins and 1 loss. In the strong Albany Invitational field of ten teams, the Cards finished 2nd. All-American, Dave Rihm, took 2nd place Medalist Honors while Mike Shpur finished fourth of the 60 golfers on the demanding Albany C.C. Course.

In the NCAA District II competition, the Cards narrowly missed qualifying for the Nationals, losing by a single stroke to Rochester Tech in a sudden-death playoff. However, the team's dynamic duo, Rihm and Shpur, qualified for the NCAA Division III championships held in Springfield, Ohio. Shpur scored a fine 308 (72 holes) and narrowly missed making All-American Honors.

In the Fall of '76, Mike Shpur shot a one over par 73, tying a conference record in the SUNY Championships at Cooperstown. The team opened its fall schedule with a 3-way win over Vermont, Siena, and New Paltz with Rihm and Shpur firing a 73 and 74 respectively at Bluff Point.

The Cards won their own 9 team invitational with a sudden death victory over Middlebury, their 5th in the last 6 years. Shpur won the Steve Teta Memorial Trophy firing a 72. Rihm finished 5th, with a 75.

In the Siena Invitational, the team finished 4th of 11 in a strong field. Rihm finished 2nd in the field of 66 golfers and Shpur a close third.

The 21 field Brook-Lea Invitational saw Rihm and Shpur finish first and second, scoring 75 and 76 respectively; an outstanding performance considering the fact that half the field of 84 golfers represented Division I and II colleges.

A Yearbook is an annual publication that serves as a record of the years activities. This year we've tried to portray this and just a little bit more. Through the pictures in this book, we've tried to present not only a record of activities, but a feeling of what it was like to be at Plattsburgh State this past year. If looking through this book re-created anything of that time for you, then we've accomplished our goal. We apologize to anyone or any activity that has been left out but it is virtually impossible to include everything that has occurred in a years time.

Special thanks to Henry Posner from Delmar Studios for all of the fine pictures he has taken, to Sandy Montanaro for all her help, to the organizations who waited to have their pictures taken and no one showed up, and to Bill Sloan from Delmar Printing Co. for his patience, understanding and dinner.

This year's editorial staff worked very hard and here we would like to thank them for doing a great job and worrying at the times when we couldn't. Russ in the darkroom until 2:00 A.M., Steve in the rain and not having the pictures printed, no paper in the darkroom, no photographer at the scheduled events, everyone pulling together when the going got tough.

Thanks to all the people who smiled when the photographers said "say sex" and those who didn't. Thanks to all of you who bought a book, and good luck to next year's staff.

Carol Phinney
Lols Gasparro,
